Rankings

#3 Best High Schools for Athletes in California

#22 in Best Catholic High Schools in California

Highly desirable location in Orange County, California, with the state-of-art school facilities.

Nestled in the city of Santa Ana, Mater Dei is centrally located in Orange County, California. The school offers students top-tier facilities, including an aquatic center, athletic fields, a track, weight room, baseball complex and a golf practice facility.

One of the Top Athletic Programs in the United States

Mater Dei offers one of the most reputable high school athletic programs in the United States, with 28 California Interscholastic Federation (CIF) sports teams.

- 7 club sports teams are offered at Mater Dei including Boys Beach Volleyball, Esports, Equestrian, Ice Hockey, Roller Hockey, Sailing and Surfing.
- Mater Dei's high school football program ranks No. 1 in California high schools and 3rd in the Nation.
- The school's nationally-renowned Basketball program has won numerous championships, including a National Championship and multiple State Titles.
- Mater Dei has many athletic championships, including 10 national championships, 120 CIF championships and 387 Trinity League championships.
- The school has produced 23 Gatorade Players of the Year and has 12 Olympian alumni. It is also the only high school in America that has produced three Heisman Trophy winners.

Advanced Academic Program

Mater Dei offers a comprehensive academic program with 75 AP & Honors Courses and 109+ Electives.

Mater Dei offers students a robust four-year STEM program. Students interested in medicine, engineering, computer programming, animal science and forensics - as well as biology, chemistry and physics - have access to tailored pathways.

Through the school's Science Department, students can customize their STEM experience towards their unique interests and needs.

Mater Dei partners with Santa Ana College and Santiago Canyon College to offer the Biotechnology Certificate, which makes a student eligible to work in a Biotechnology lab after graduating. Additionally, participating students earn one college credit.

Exceptional Art Department

Mater Dei's Arts Department offers an exciting arts curriculum that gives students experience both inside and outside of the classroom. Students can take part in Instrumental Music, Theatre Arts, Film and Media, Dance, Choral and Vocal Music.

A Theatre Capstone Program is offered to students who are passionate about the dramatic arts. Through this, students can discover their interests and pursue their passion - ranging from creating a solo performance, directing or writing their own show, designing a Main Stage production or more. Over 10 theatre shows will be performed every semester.

Daily Peer-to-Peer and Faculty Tutoring Offers Students Additional Help

Mater Dei partners with multiple organizations to offer tutoring opportunities to students who need additional help in their classes. Both online and in-person tutoring is available.
