

Carmel Catholic High School, a five-time National Blue Ribbon School winner, offers students more than 100+ AP, Honors and Dual Credit Courses and world-class facilities – all in a warm, welcoming environment.

Carmel offers students a wide range of unique STEM offerings, including a Project Lead the Way advanced engineering program, an Astronomy course taught by a NASA ambassador and a World Championship-winning robotics team.

For those with a future in business and entrepreneurship, Carmel offers a Business INCubator Lab course, where students have the opportunity to develop their own real business ideas, pitching them to local investors at the end of the semester.

Carmel's facilities include a \$6.2 million fine and performing arts center, a dance studio, recently-renovated classrooms, an audio/media production studio and much more.
